APPENDIX II.

FORM OF AGREEMENT.

1. This agreement is executed this day ....1928.

2. That $\frac{I}{we}$ the said.....do hereby agree and bind $\frac{myself}{ourselves}$ heirs and successors and assignees to supply the articles intended for and deliver the same at the Government Central Distillery, Bangalore.

3. That the sum of Rs.....deposited with $\frac{my}{our}$ tender may be held as security for the due fulfilment of $\frac{my}{our}$ contract.

4. That in case of failure to deliver the articles, within the due date mentioned in the order memo issued by the Distillery Officer, the Excise Commissioner shall be at liberty to cancel the contract and forfeit the amount deposited by $\frac{me}{us.}$ Further $\frac{I}{we}$ bind $\frac{myself}{ourselves}$ to pay such compensation as may be determined by the Excise Commissioner for any loss that the Government may sustain by $\frac{my}{our}$ failure to supply the articles as agreed to by $\frac{me}{us.}$

Signature of the contractor.

S. P. RAJAGOPALACHARI,
Excise Commissioner.

MYSORE DIVISION.

Dated 26th May 1928.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Mysore Division, up to 3 P.M., on 18th June 1928, for restoring Ramandur Tank, Registered No. 128, Malvalli Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the 15th June 1929.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Mysore, between the hours of 11 A.M. to 5 P.M. on office days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed :—

Description of work	Unit of work	Rate per unit

4. Each tender must be accompanied by a deposit of Rupees 200 (two hundred only) in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for Restoring Ramandur Tank Registered No. 128 of Malvalli Taluk," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond : in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders, will be returned.

Rates should be noted for each item of work.
